

Dear Parent/Guardians:

We are requesting your participation and support as we begin the annual New Castle Middle School fund-raising project. We are selling **New Castle Middle School Booster Discount Cards**. Each discount card will sell for \$5.00. Within two times of using this discount card, the owner will realize a return of the original investment. The discount cards are of local origin, and the entire profits will remain within our school. New Castle Middle School students will have the opportunity to sell these discount cards under the leadership of the seventh and eighth-grade teachers. The New Castle Middle School Booster discount card fund-raising program will be held from March 19th through April 20th.

The profits realized from this project will be used to fund our annual King's Island trip, and to provide needed funds toward the purchase of instructional equipment and classroom materials. Our school budget does not provide the funds necessary to meet all of the important, instructional needs of today's classrooms.

We encourage parents and family members to take the New Castle Middle School Booster discount cards to work and assist their children with their sales. Awards and recognition will be given to those outstanding sales people at each grade level. Our goal is to make a net profit of no less than \$15,000 from this fund-raising venture. **Please make checks payable to New Castle Middle School.** Your children should bring their checks and money collected to the 1st period each school day. Students are responsible for their discount cards and money collected. Students who do not sell all of their discount cards should return the unsold cards to their designated teachers. **If unsold cards are not returned, parents will be responsible for payment.** If you and/or your child can sell more discount cards than the original number distributed (4), you may request additional discount cards from the designated teachers or office staff members. If a student needs more than 10 cards, please send a note with the student. **Students will have to return money for the cards they have out before they can receive more cards.**

New Castle Middle School parents and families have been wonderful in the past supporting and helping to make New Castle Middle School a great place for students to learn and achieve. We look forward to your continued support and commitment to a quality education for all New Castle Middle School students.

Aimee Flynn
Assistant Principal
